

You can do this for any files you want to read on your kindle.

The easiest way to transfer files to your kindle is to use a cord to connect your kindle to your computer.

OR

On a computer, Log in to your Amazon account.

Go to www.amazon.com/sendtokindle

In a new tab, go to MRKH.org/shop and buy the **epub** version of NOT UNCOMMON just unheard of.

Download your ebook to your computer.

Back on the Amazon tab:

Select the **epub** file from device, or drag and drop it from your computer to your kindle.

Make sure the **Add to your Library** button is on.

Click the **SEND** .

You might have to sync your device to see the book in your library.

That's it. Enjoy!
